

## FROM THE PRESIDENT

Mark Orndorff  
orndorfm@gmail.com

We will be having our annual fall meeting on November 18<sup>th</sup> a 7pm at the Mont Alto Fire Station. We'll provide all the details on the 2025 PNCA activities, we'll have a guest speaker from WellSpan discussing an important Healthy Living topic, we'll have a representative from the Fire Station going over some critical volunteer opportunities and, of course, we'll have your favorite Windy Knoll Ice Cream!

As the golf leagues wind down and snowbirds start to head south, you would think things would be slowing down here in Penn National, but thanks to lots of volunteers, there are plenty of great activities coming up. I won't duplicate all the details that are included later in the newsletter, but just want to highlight a few that you won't want to miss. The annual PNCA Dinner/Dance celebration is coming up on December 11<sup>th</sup>. This is always the highlight of the year for us, so be sure to get your registration form in soon.

Also, don't miss the Veterans Celebration on November 11<sup>th</sup>, the Men's and Lady's luncheons, the WW II Museum trip and the very popular annual concert by the Penn National Singers.

You may have seen that our dog Finn is in training to retain his title as "First Dog" at the annual Turkey Trot at 8:30 on Thanksgiving morning. He welcomes lots of companions (both four and two-legged) for this fun walk/run. It's a great way to start the day and "earn" your rights to a big Thanksgiving dinner!

Last month I mentioned that in support of National Fire Prevention month we would be asking for anyone who would like assistance in servicing your smoke detector to contact us at [pncanews@pnca.info](mailto:pncanews@pnca.info). So far, we have lots of volunteers, but no requests yet for assistance, so don't hesitate to send in a note if you'd like a little help with this important task. I also learned that the Red Cross has a program supporting smoke detectors and we've included information on their program later in the newsletter.

I still do a little consulting and had the opportunity to attend a conference on AI where my old counterpart from NSA spoke on the cyber aspects of AI - both from the perspective of how AI helps us safely use technology and how an adversary will use AI against us. His view is that AI will benefit the "good guys" more than those working against us. I hope he's right! But the bottom line is that there are some very sophisticated new techniques to trick us into doing things that would let the "bad guys" take over our accounts, so be extra careful and keep watching for the important notices Roland shares with us in E-News.

With election day looming and lots of strong views across our community, I would just encourage everyone to pause, listen and be respectful; even when you disagree. Let's heed the advice of President John F. Kennedy, who often reminded Americans that civility is not a sign of weakness: "Let us not emphasize all on which we differ but all we have in common. Let us consider not what we fear separately but what we share together."

Hope to see you soon around the neighborhood!  
Mark Orndorff

THANK YOU FOR DRIVING SAFE!

## FROM THE PUBLICATIONS DIRECTOR

November is calendaring out to be a very busy month! We will need that extra hour when we switch to Daylight savings time to Standard Time!

First activity up is November 5th, election day, one last plug to make sure you get to the polls or get that ballot in the mail on time and cast your vote!

There are also many PNCA events happening in November. November 11th is Veterans Day and PNCA will be honoring our community veterans that Monday at the PN Trellis Terrace beginning at 10AM.

The Tee Up Fore the Cure Team is having a Cookie Dough and Coffee fundraiser sponsored by The Butcher Shoppe now through November 20th, be sure to check out page 8 for the details. Our annual Thanksgiving Day Turkey Trot is always a fun event and helps with the extra dinner calories! Details on how to sign up are on page 6.

Make sure you save December 7th and 8th for the 3rd Annual Artist Tour featured on page 17, we have amazing artists among us! And on page 19 we have our Master Gardeners article on caring for Mums, and upcoming classes in December for wreath and centerpiece making. We also have holiday wine suggestions on page 16 from Penn National resident and Sommelier and Wine Specialist, Fine Wine & Good Spirits, Cecily Barber to get you in the mood for holiday entertaining!

The end of November month our holiday activities begin and continue to roll on! Thanksgiving, Black Friday, Cyber Monday, and breathe!

We also have a sneak peak to share for the Carole King fans in our community. The PNCA annual outing to The Totem Pole Theater next August will be the performance of "Beautiful: The Carole King Musical". Check it out page 8, and thank you Jim Hilmer for securing the tickets!

The PNCA Holiday Dinner Dance, Jingle Mingle has a deadline for registration of November 29th. On the last page of this newsletter we include the registration form for your convenience.

I wish all of you a wonderful Thanksgiving. I continue to remind myself, the most memorable and meaningful parts of life will be the small moments you spend smiling with someone who matters to you,. Give thanks and gratitude on this day (and everyday if I remember) be positive, be peaceful, be kind, be happy, be sincere, be optimistic, be grateful!

### MIXED LEAGUE OUTINGS

Mixed League has had 2 golf outings since the last newsletter. The first one was on September 19th and was hosted by Jim and Sara Hilmer and Dudley and Karen Gayman. This was an evening 9 hole scramble on Iron Forge. The winner was the team of Mark and Susan Orndorff, Tony Tirella, and Lori Fink with a score of 4 under par. The golf outing was followed by dinner in the back yards of the Hilmer's and the Gayman's. It was a fun event in a great setting and everyone had a very nice time.

The next Mixed League outing scheduled for September 27th but was cancelled due to rain.

Mixed League had an outing on October 11th hosted by Karen and Dudley Gayman. Early that morning there was some frost on the pumpkins, causing a one-hour delay. After a few holes, the 55 players enjoyed a beautiful Fall round. The game of the day was 40 Ball and two teams tied for first place:

Captain Tom Taylor, Alice Messina, Joanne & Tom Venturella

Captain Ken Armstrong, Denise Ditch, Barry Guckes

**CONGRATULATIONS!**

Our final Mixed League outing for the year will be the annual Halloween Surprise hosted by the Leaman's on October 25th. I'm sure we'll have some great stories and pictures for next month's newsletter.

## Pete Mason Memorial Ryder Cup 2024

A group of Penn National golfers have held a 3-day Ryder Cup type tournament for the last few years. This year was the 5<sup>th</sup> year for the tournament. One of our charter members was Pete Mason. Pete passed away about a week before the tournament was held. In his honor, we named the tournament after Pete. Many toasts and stories about Pete were shared. But the most exciting moment of the tournament was when Mark Orndorff made a hole in 1 on Founders #17. This moment was so special because right before Pete got sick, he made a hole in 1 on Founders #17. Pete was one of the first people to use a Vice golf ball and in this tournament, Mark was also using a Vice golf ball. The hole in 1 was witnessed by Mark's teammates – Beth Pryor, Lynn Talbot, and Anita Leaman. Standing up by the green also watching the hole were Karen Gayman, Donna Waddleton, Drew McCarriar, and Jim Leaman. Needless to say, probably everyone on the course (due to the noise) knew that something special had happened. Everyone who knew Pete was convinced that Pete was watching over the tournament and was very pleased to see

Mark get a hole in 1 on the same hole that he did using a Vice golf ball. There were a few people with tears in their eyes at the astonishing coincidence! Congratulations Mark and we miss you Pete!

In addition, Pete was the organizer of a large golf group of guys who usually went to Myrtle Beach annually. Last year at their golf trip, which is also a 3 day tournament, they awarded the best golfer on the trip a cup which they named the Pete Mason Cup. The guys will be competing for the Pete Mason Cup at the end of October this year. Pete really touched the lives of many people in the PN community.

## SAVE THE DATE FOR TOTEM POLE THEATER CAROLE KING

PNCA has arranged the annual outing to the Totem Pole Theater. We have secured tickets for the August 9, 2025 7:30 PM performance of Beautiful- the Carole King Musical. The musical highlights many of the songs that Carole King has written and performed. It is a fascinating story of Carole's progression from schoolgirl to superstar. As we did this year, we will have use of the tent at the Totem Pole Theater. We have it reserved for 5:00 PM to 7:00 PM.

Information on tickets will be sent out in March, once the theater has updated their computer system for next year's shows.

## NEEDLEWORKERS GROUP

Owls are hooting in the woods and leaves are rustling on the trees as they change colors. November is upon us, and for those of us who enjoy making gifts for family and friends, we are entering a very busy time.

Needleworkers meet every 1st and 3rd Wednesday of the month at the Mont Alto Community Center where you will find attendees crocheting, knitting, binding quilts, or working on needlepoint, embroidery, cross stitch and wool appliqué. We encourage and enable!!!

Meetings this month are on Wednesday, November 6th and Wednesday, November 20th, from 1:30 to 3:30. It is a time to work on those pieces that need our attention without having to worry about housework!!!

Hope that you will consider attending this month.

*Submitted by Joyce Zsembery*

Sue Schmidt knitted shawl with a lace border was made using DK weight yarn, and is perfect for sitting on the porch while enjoying the changing colors.

Gloria Winkelman has fully embraced the colors of the season with her beautiful knit Rowan sweater pattern titled "Balfour" in felted tweed (Magazine Number 60). The pattern uses a fairisle technique, where 5 different colored yarns are used to create the patterns.

## PENN NEEDLES QUILTERS

31 members were present for October's meeting in this beautiful fall weather. Our Co-coordinator, Frances Badman, led the meeting. By-Laws were updated & accepted by the membership.

In an effort to continue Charitable works, the group approved creating "Reading Pillows" again for donation this year. The goal is to create 114 pillows for students at First Start Pre School in Fayetteville. We will also continue working with the Mennonite Relief Center, tying quilts & donation bags for Overseas Outreach.

Barb Berlett gave a demonstration for Kaleidoscope quilt cutting & design layout. Some of the group completed their 8 sectioned, 45-degree angle pieces cut and matched for sewing in the afternoon session. It was fun to see what a difference each fabric print could create.

We have no official meeting in November. Instead, we will gather at the Norlo Park Community Center, November 11-14, for our semi-annual Quilt Retreat. It is a wonderful way to keep our piecing and quilting enthusiasm, as well as encourage each other focusing on fun projects. Please be sure you have paid your fee for attendance to Barb Berlett.

December 3, 2024, is our Christmas Luncheon at Hickory Bridge. Please contact Chris McCarty for payment & more information. We still have a few open seats. We will again make donations to "Women In Need". Be sure to bring something to Show & Tell!

Enjoy this Fall Season!

## NOVEMBER GREETINGS FROM PNHS

The Penn National Harmony Singers sends Holiday Wishes to our friends and neighbors at Penn National. We are thankful to live in such a wonderful community and receive your support that enables us to continue sharing our music at Assisted Living Communities in our area.

Our summer schedule was busy and rewarding. Our final concert was at Menno Haven. We were pleased to see several familiar faces in the audience.

**We will be singing at the Veteran's Day Program on November 11th at 10:00 at the Trellis.** Christmas is just around the corner. The choir is working on some new music selections, we know you will enjoy, and also some holiday favorites. This has become a tradition in our community and we look forward to celebrating the holiday season with you. **Mark December 10th, 7:00pm on your calendar for our Annual Christmas Concert. It will be held at the Brethren in Christ Church on Mont Alto Road.**

We will resume our regular practice schedule on February 2025. We meet the first and third Tuesday of each month from 3:30-5:00 at the New Guilford Brethren in Christ Church on Mont Alto Road. We welcome new members so come out and join us.

*In Memoriam*

Our dear friend Pete Mason passed away after a courageous battle with leukemia. He was a devoted, loving husband to Becky and loving father and grandfather. Please keep them in your prayers.

Pete had many friends, never met a stranger, had a big heart and was an avid history buff. He loved nothing better than a good conversation with friends. After retirement, golf quickly became a passion. I'm sure when he knocked on heaven's door he was wearing his knickers, smoking a cigar and asking about the next available tee time.

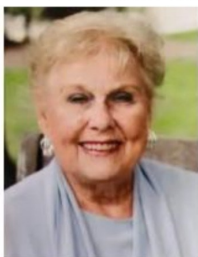

Here's to a life that touched so many! "Our paths may change as life goes along, but the bond between friends remains ever strong". I loved our time together and he will be missed.

## HOLIDAY WINES

Here come the holidays and the wonderful gatherings of family and friends. As you plan your holiday meals, whether you're doing the same traditional fare or trying new recipes, don't forget the wine.

First and foremost, I like to splurge a bit on good wines for my holiday feasts to make them really special occasions.

Second, it's important to have the right wines on hand throughout the day.

Sparkling wines for the start of the event. Either sweet or dry, sparkling wines set a festive tone to the day. They're delicious on their own or in a mimosa. Bubbles make everything lively and fun.

For the meal, white wines like Riesling, Gewurztraminer or a buttery Chardonnay pair beautifully with the butter-basted turkey and sweet side dishes of traditional thanksgiving meals.

For red wine lovers, Pinot Noir and Beaujolais are light and fruity so they won't overpower the turkey and also go great with the apples and cranberries that might be part of your side dishes. Beaujolais Nouveau comes out right before thanksgiving and is always a good wine pairing with thanksgiving foods. It's also lightly sweet so it can satisfy both dry and sweet wine lovers. For those that like a fuller-bodied wine, I recommend red Zinfandel. Its smooth tannins and slightly spicy rich flavors complement the baking spice notes in many of the foods we'll be eating. It's also a good pairing with ham or game meats like venison.

And let's not forget dessert! Always pair sweet wines with sweet desserts. Sauternes with their honey notes are great with apple pie. Tawny ports pair with pecan pie while ruby ports pair with anything chocolate. Spatlese Rieslings and ice wines are also dessert favorites.

So cheers to the holidays, to your family and friends and all the heartfelt work you put into making the day such a success. Remember, the day is a marathon not a sprint, so take your time, relax and enjoy responsibly.

## FRANKLIN COUNTY MASTER GARDNER MUMS AND UPCOMING WORKSHOPS

### Overwintering Hardy Mums

You bought those pots of beautiful, bright hardy mums (*Chrysanthemum x morifolium*). They were settled into baskets or buckets or just wrapped in burlap to sit among the pumpkins. No doubt they are showstoppers in the fall, blooming well after other garden plants have stopped for the season.

But once the blooms have faded do you discard or compost them, or do you want to plant them in your garden?

In our area of South Central Pennsylvania, if you plant these flowers in the garden after they've bloomed, their chances of making it through the winter are pretty slim. Timing is just not on their side; after they finish flowering, there isn't enough time left for them to establish a strong root system in the garden that can withstand the cold. Keeping mums in their original containers for spring planting can be a bit tricky since they need to be shielded from winter weather.

This could mean moving them to a more sheltered spot, wrapping the pots in insulating materials, or even bringing them indoors if possible. Remove foil or other coverings from the container and cut back the top of the plants to several inches above the growing medium. Then store them in their containers in a cool but well-lighted location such as a basement or well insulated garage. Keep the growing medium in the containers barely moist throughout the winter. Only when the medium is dry at a depth of two inches should a light application of water be made. Do not saturate it or allow it to totally dry out.

Once there is new growth in the spring, gradually acclimatize them to the outdoors. Place them in a protected part of the garden, with partial shade during the day, and in your indoor cool spot during the night. When there is significant growth, wait until the danger of frost has past (May 12 in Franklin County) to plant outside and give them some bloom fertilizer.

### NOTE: Difference Between Hardy Mums and Florist Mums

There is an important difference between hardy mums and florist mums. The decorator mums widely available in autumn are usually winter-hardy varieties. If your chrysanthemum comes from a florist, it is likely a greenhouse cultivar and best treated as an annual outdoors.

## RED CROSS HOME FIRE SAFETY PROGRAM

The purpose of this article is to bring to your attention the [Home Fire Safety program provided by the American Red Cross](#). The Red Cross provides a great, free service for those in need of assistance with acquiring, installing, or maintaining their smoke alarms.

A resident may request smoke alarm assistance from the American Red Cross Greater Pennsylvania Region by submitting a form at the link. <https://www.redcross.org/local/pennsylvania/greater-pennsylvania/about-us/our-work/home-fire-campaign/smoke-alarm-request.html>

The Red Cross responds to requests in the following manner:

- Red Cross volunteers with ID (typically two) arrive at the home at a prearranged appointment time
- A survey of the home's existing smoke alarms is done, noting location and age (all smoke alarms have a functional life span of no more than 10 years)
- A recommendation is made to the resident. (The goal is to have at least one smoke alarm on every level and one in every bedroom.)
- Upon approval from the resident, Red Cross provided smoke alarms with sealed 10-year lithium batteries are installed as needed (The Red Cross does not replace or remove any hardwired smoke alarms, although the back-up batteries may be replaced if needed)
- Some fire safety educational material is provided and briefly reviewed with the resident
- There is no cost for this service

Note the Red Cross will only install smoke alarms that they provide and alarms must be installed by Red Cross personnel
