

FROM THE PRESIDENT

I started last month's newsletter with a welcome to spring and encouraging everyone to enjoy some time outdoors. Well, that didn't go so well. April has been a bit chilly to say the least, so let's try again and hopefully May will bring milder weather! I think the Penn National Golf Leagues have set a record for rounds cancelled due to bad/cold weather conditions.

May is probably the busiest month of the year for PNCA. I want to highlight a few events but be sure to check the website (pnca.info), E-News and the rest of the newsletter for more details. We will have our annual PNCA meeting and Ice Cream social on May 12th at the Mont Alto Fire Station. As I mentioned last month, Patti Nitterhouse has agreed to be our guest speaker with an update on future community plans and we will have our annual election of officers. The slate of officers for the four elected positions are Tony Tirella for Secretary, Steve Mitchell for Treasurer, Beth Pryor for Vice President and I'm running once again for President. Our meetings are open to everyone (members and non-members), so please invite any neighbors who are not currently in PNCA who might be interested in finding out more about the organization.

Also in May is our annual Spring Battle of the Neighborhoods Golf Scramble. The teams are filling up fast, so please contact your neighborhood rep if you'd like

to sign up. There is no charge other than golf and cart fees with a discounted rate for non-members. WellSpan has once again agreed to sponsor us with appetizers on the patio after golf.

It's time to renew memberships so check out the details later in this newsletter and online for membership renewal instructions. We've added an online option to hopefully make it a bit easier for everyone.

If you've been reading my articles, you know I often include comments to encourage everyone to safely share the roads in PN. My perception is that the recent trend is to speed up while we're getting more walkers and cyclists on the roads. I once again plead with everyone to please slow down. We have one set of roads to share for cars, pedestrians and cyclists, so let's be courteous and safe. On a positive note, when Finn and I were out recently, everyone who passed us gave us lots of room and a friendly wave. Thanks to those who take the extra time to safely and courteously share!

I want to remind everyone of the Memorial Day Remembrance in the Trellis on May 26th. We will once again have music by the Penn National Harmony Singers and tributes by local veterans. I hope to see you there!

PNCA: A SOCIAL ORGANIZATION WITHIN THE PENN NATIONAL COMMUNITY

FROM THE PUBLICATIONS DIRECTOR

As I was putting this newsletter together this month, I was happy to see so many events and activities happening between now and July. Seems we are all shifting focus to outdoor activities now that warmer weather is here and the days are getting longer. I hope you also get excited to see what's happening in the community as we prepare to enjoy the beauty of spring flowers, and the opportunity to spend more time outdoors-whether it's golfing, gardening, walking, or simply enjoying the sunshine. As you think spring and Mother's day (on the 11th), both our Penn State Master Gardeners and the Blue Ridge Summit Free Library are having their annual plant sales I have heard great feedback from folks who attend these each year.

On Sunday May 26th the PNCA Memorial Day Event at the Trellis: "Honoring Our Heroes": A Memorial Day Remembrance will begin at 10AM. Please join our community veterans and neighbors as we honor the men and women who made the ultimate sacrifice for our country. Come to hear Guest Speakers from our community.

May has no shortage of themes! I want to recognize again this year that May is Mental Health Awareness Month. Mental health includes our emotional, psychological, and social well-being. It is important at every stage of life, and every community should keep this in mind throughout the month. Let's reach out to one or several neighbors you may not know well, if at all, build a new connection, rebuild old support networks, engage in friendly conversation, participate in the many community activities planned, or make your own activities that include neighbors. These connections allow us to share interests and build our sense of belonging and security, and they are perfect ways to recognize mental health awareness. Just a plug, but May 16th is "Do something good for your neighbor day"!

When I was searching for May national celebrations to share with you all, I quickly latched on to National Limerick Day, as well as World Cocktail day. Loving a good limerick and always welcoming a new cocktail suggestion, I would share this with you:

There once was a mixologist grand,
Whose cocktails were quite in demand.
With a shake and a pour,
And a smile on his core,
World Cocktail Day, he'd celebrate, hand in hand.

Another of my favorite National Days is National Smile Day this year is on May 31st, make sure to give everyone you meet one of yours!

Wishing you all happy days, good health & lots of smiles!

June 23th—PNCA WINE TASTING EVENT From 6:00pm -8:00pm at the Mont Alto Fire Company.
Please watch for sign up info and more event details at pnca.info and E-news.

THE 2025 4TH ANNUAL MILITARY CUP Tuesday, July 8th and Thursday, July 10th.

This year, for the first time, there will be a separate flight just for the Veterans (you must have a DD-214 to participate in this Flight). Everyone else will play as they have in previous years. All Penn National residents are welcome!! When signing up, please indicate which service you prefer to play for. If your father, sibling, child, etc. served or is serving, you may want to represent them. We make every effort to keep members who participated in past years on the same teams as before. The format is Ryder Cup with nine holes of 2-person scramble, nine holes of 2-person best ball, nine holes of 2-person alternating shot, and the final nine holes are head-to-head individual play. This is a handicap event; we do ask that you have an established handicap. We can work, on a case-by-case basis, with individuals who do not or cannot get a handicap.

You do not have to play both days, sign up for either day or for both days. If you have someone specific you wish to play with please let us know when you sign up. The husband/wife alternating shot portion has previously been an interesting dynamic.

Details for the "banquet" after golf on the final day are being worked on, expect a nominal charge to participate to cover the cost of food.

The remaining funds will be donated to a veterans-affiliated charity. Last year everyone's participation resulted in our ability to donate \$1,200 to the Folds of Honor. This organization provides college scholarships to the dependents of our fallen soldiers and first responders.

To sign up, contact Kevin Mayhew at: Kevin.G.Mayhew@gmail.com or call at 405-535-6227. PNMGL members can also sign up on the league's Google sheet. There are 80 tee times for each day and they will fill up fast.

PN HARMONY SINGERS

MAY GREETINGS from THE PENN NATIONAL HARMONY SINGERS

The Harmony Singers performed at the Five Forks Brethren in Christ Church on April 15th. They requested a brief summary about our choir. This was an opportunity to do a little research about the Penn National Harmony Singers. John Berger, our choir treasurer, did some digging through old photos, articles and programs about the choir and now we have a history to share when we are asked about the choir and how we got started. 'Thank You' John for all your work. We would like to share this with the community.

The Penn National Harmony Singers started in 1997 with a group of women, gathered by Shirley Henrickson, who were residents of the Penn National community. The original idea was to get a group together for fellowship and singing. The group met for practice at St. Luke Lutheran church on route 997 in Fayetteville. The music director at St. Luke was a young man named Chris Furry, and he also served as the choirs' musical director. Their first music came from a book titled 'Introduction to Barbershop Music'.

By 1998 men had started to join the choir and the choir hired a music teacher, Tim Landis who worked at Shalom Christian School. Tim transitioned the choir from barbershop to singing songs from the Fred Waring Song Book and music from My Fair Lady and the Sound of Music. It was at this early time the choir began community outreach and was invited to sing at Senior Care facilities in the Chambersburg area. Tim served as both director and accompanist. At a later time Nancy Crandall took over as accompanist. By 2004, Tim Landis moved on to become the pastor of a church in Elizabethtown. At that time Sharon (Allison) Rost became the Musical director and Pat Martin the accompanist of the choir.

In 2020 the Covid 19 pandemic struck and the choir curtailed its programs for two years. It was during this period of time that Sharon Rost moved to Florida. Mary Jo Bedsworth took over as the music director and Heidi Shenberger became the accompanist.

In 2000 I became a member of the choir and although we have added a variety of music and community venues our main objective is to share our love of music. Our Christmas Concert has become an annual tradition that started in 1999. In 2023 we added a Summer Concert which is becoming a new annual tradition.

Mark your calendar for **JUNE 17th for our SUMMER CONCERT at 7:00pm at the New Guilford Brethren in Christ Church on Mont Alto Road.**

We would love to have you come to one on our practices and meet the choir. We practice the first and third Tuesday of each month from 3:30-5:00 at the New Guilford Brethren in Christ Church on Mont Alto Road.

Spring always brings excitement and pleasure as we see new blooms and greenery. It feels the same with our Needleworkers meetings at the Mont Alto Senior Center. It is exciting to see new projects and the progress our members have accomplished during the month. Please join us and share all these beautiful viewings. We embrace needlework in many ways of embroidery, quilting, knitting and crochet. Our meetings are held the first and third Wednesdays of the month from 1:30-3:30 pm in the Community Room of the Mont Alto Fire House.

WRITING IS FUN GROUP (W.I.F.)

This group is open to both men and women. We started W.I.F. three years ago from scratch, and it has grown into one of the best, least known groups within the PN community.

We meet on the first Friday of every month at the nearby Penn State Mont Alto Library at 9:00 a.m.. Sometimes we go out for lunch afterwards. If you are

serious about meeting some fun people, check us out. You won't regret it.

If interested contact Tom Cahill at Thomas.michael.cahill@gmail.com.

Oh, by the way, we gather to write and share with each other our thoughts and feelings on topics agreed upon by the group.

A FUN TIME WAS HAD AT THE GARDEN CRAFT WORKSHOP

Sixteen garden ladies got a jump on their garden decorations at the Mont Alto Firehall last week. Painted silverware makes a great plant ID stake and river rocks adds a nice touch to any flower bed. Some of the results are shown here:

Thanks to the committee for their work: Alyssa Schneider, Carolann Butala, Suzanne Oiljar, Kathy Carbone, Donna Matuch, Denise Keogh, MJ Botelle, and Connie Reimbold.

We really appreciate the help of the volunteers, Donna Matuch, Susan Orndorff, Lori Fink, LeeAnn Campbell, Tony Tirella, Mike Matuch, Mark Orndorff, Barbara DiStefano, Linda Glueck, Wendy Gatyas, Cathy Bender

and Dave Campbell.

From cooking, cleaning, registration, 50/50, decorations, recipes; these volunteers put together another wonderful event for PNCA.

Next PNCA Wine Tasting is June 25th. Hope to see you all there!

FRANKLIN COUNTY MASTER GARDENER ANNUAL PLANT SALE MAY 17TH – 9 A.M. TO 1 P.M.

The Franklin County Master Gardeners plant sale is May 17th from 9 a.m. to 1 p.m. at 425 Franklin Farm Lane, Chambersburg. This free event will feature a variety of unique plants, educational activities, and exhibits from community organizations. Free parking available.

Rain or shine. Bring your carts, wagons & boxes! Vegetables, herbs, annual flowers, heirlooms, sun & shade perennials, trees, shrubs & native plants. Plant availability will be dependent on germination and plant condition. We will have an information & "Ask a Gardener" table. Also, soil test kits (\$10) & horse manure in buckets will be available. Beekeepers, Audubon, and 4-H community groups will be on hand. Cash, checks, and Visa/Mastercard are accepted. The proceeds will support Master Gardener educational outreach activities in Franklin County. More information please visit our plant sale website at <https://extension.psu.edu/programs/master-gardener/counties/franklin/news/annual-plant-sale>

This sale is more than a fundraiser. We work to meet the mission of our program - "to educate the public and our communities on best practices in sustainable horticulture and environmental stewardship".

How do we do this? Each perennial plant has a sign with the botanical name, description including if it is native, pollinator friendly, or drought resistant. More than 2,000 plants offered are locally grown and nurtured by Master Gardeners at their Franklin County homes. They have been divided, potted, and overwintered in our holding area. Plants offered for sale have survived the recent winter season and are ready to be transplanted.

Annual flowers, herbs, and vegetables are grown in our greenhouse. We include unusual varieties of heirloom plants usually not offered at local nurseries. Seeds saved from heirloom plants will produce the same plant the next year. Highlights this year include Japanese Climbing cucumbers, the unusual "Hairy Balls" milkweed, and the popular hybrid Phenomenal Lavender that is both hardy and fragrant.

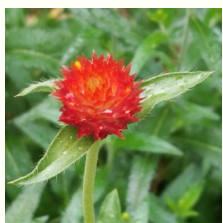

The mid-May sale date offers the best time to plant in our area, past the last frost date (est. May 10 in Franklin County) and when soil temperatures are likely to be ready for transplants.

Garden Hotline volunteers will be available to answer your plant and gardening questions. During 2025 our volunteers are available every Tuesday and Thursday from 10 a.m. to 1 p.m. until September 30. Call 717-263-9226 or email franklinmg@psu.edu.

We invite you to come to the sale to not only buy plants but to learn about them. Our Master Gardeners are available to offer assistance for choosing among the plants offered plus provide tips on the best way to plant and care for those selected.

TEE UP FORE THE CURE FUNDRAISER

HOLE SPONSORSHIP

Tee Up Fore the Cure (TUFTC) team is selling hole sponsorships this year for our golf tournament. The great thing is you don't have to be a business owner or a golfer to participate in this fundraiser. This sponsorship is open to the community. The cost of the hole sponsorship is \$250. Your name will be posted on a sign on Founders golf course the day of our event, July 24, 2025.

You might be thinking, I'm not sure I want to donate that much money. Get creative! Make it a family donation, go in half with a friend or neighbor, collect money on your street, etc.

Our team thinks this is just another great way to help the American Cancer Society find a cure for all cancers. We have to continue to give cancer patients and their families HOPE!

Hole sponsorships can be purchased by notifying any team member:
