No power steering. No GPS.
No XM Radio. No Windows.
And no air conditioning.
Now that's a battle.

Experience stories of American sacrifice, unity, and might in WWII history.

Welcome to the WWII American Experience Museum and Education Center in Gettysburg, Pennsylvania. We strive to educate the public about the American sacrifices made during the world's largest conflict of the 20th century, both on the battlefield and on the home front, and honor their dedication to win the war and preserve freedom.

Here we can experience a wide variety of authentic WWII vehicles, uniforms, and artifacts in realistic dioramas and exhibits that portray, not just the battlefield, but the home front as well. Take in a re-enactment or one of our living history programs available, as well as speakers, seminars, interactive offerings, and simulated and real vehicle experiences.

As usual, we will travel via car pool, and we're planning for a catered lunch at the Museum. Depart from the Penn National Golf Club (back parking lot) at 8:30 AM and return about 2:00 AM. The cost to tour the museum is \$13.00 per person and lunch is \$16.00 per person (both paid in advance).

Enroll at a Men's Luncheon and pay the advance fee of \$29.00 (please make check payable to PNCA), or drop it at the box at Jon/Pam Curro, 6210 Oak Leaf Lane North; or you can enroll to participate in this trip with:
